SUMMARY

What if your sales team could have an instant advantage over all your competition? What if you could quadruple appointments, shorten sales cycles, and skyrocket profits, all through the application of one powerful technique? If your sales team needs this kind of edge, "Build Your Story Playbook" provides the breakthrough you've been looking for. Shift your sales team away from the uncomfortable bulldog tactics of the past, to a new, relaxed, and scientifically proven methodology that consistently multiplies results, guaranteed.

STRUCTURE

Matthew presents the science of storytelling as documented by Harvard and Stanford researchers, and explains why story is fundamental to a winning sales process. Attendees will hear about Matthew's real-life clients – some painfully introverted, some needing to get hyped up on coffee to make the day bearable, some with sales in their DNA and thinking they were already doing everything right. All of them not only lowered their stress around selling and learned to love the process, but also increased closure rates as much as 400 – 1000%. All it takes is a simple, proven process that Matthew has perfected over the last decade.

1. Learn the exceptional power of story, its use in gaining trust and credibility, and its effectiveness at sidestepping objections.
2. Uncover the secret to crafting laser-sharp true stories that make prospects say, "I want that!"
3. Discover the secret to creating your sales department's story playbook, rapidly reducing sales cycles, increasing closure rates, creating a sales culture of teamwork and excitement, and instantly making both your new and seasoned salespeople more effective.

TARGET AUDIENCE

This session has been designed in two formats: One to be presented to your entire sales team looking for the edge over their competition, and the other for sales VPs, directors, and managers looking for a proven way to transform their teams from stressed and high-pressure to relaxed and authentic – while massively boosting profits, of course. It's also the perfect choice for sales kickoff events and sales team retreats and workshops, providing your team with the tools and motivation to dramatically improve their existing process. Matthew has delivered this presentation to a range of audiences from multinational conglomerates such as Oracle to commercial real estate sales firms such as Colliers International. It has also been presented to rave reviews at many small businesses and sales conferences.
